WS3 / P5JS DIGI FAB

ART 4990

F_24

START: 09.10.24

END: 09.10.24

COURSE WWW

P5.JS + DIGI FAB PAPER CUTTING

PROJECT DESCRIPTION

In this workshop, we will explore the following functions of
P5.JS, and translate them into vector forms for machine paper
cutting:

Looping: https://p5js.org/reference/p5/loop/
Map: https://p5js.org/reference/p5/map/
Save: https://p5js.org/reference/p5.Image/save/

For this workshop, we will use a Sillouette Cameo, but other
paper cutting machines can be used in the future. Here is the
software you will need in class:

https://www.silhouetteamerica.com/silhouette-studio

DELIVERABLES

• **Export and submit your P5.JS sketch to canvas.**
• **Complete your code to paper experiment by the end of class**

TIMELINE

09.10.24 - 09.10.24
